2026 Membership Application

What is the Passaic County 200 Club?

Over 40 years ago, a Detroit businessman elicited generous responses when he asked 100 business friends to contribute two hundred dollars each to the family of a young police officer who was fatally wounded in the line of duty. This was the origin of the 200 Club.

Each 200 Club in the county is independent of the others. Established in 1989, the Passaic County 200 Club is a charitable, non-profit, volunteer organization. We honor those men and women who are employed in the public safety sector (Police, Fire, EMS). We provide financial and emotional support to the families of those who have lost their lives in the line of duty, and honor those who have performed in a manner that embodies heroism, self-sacrifice, and commitment to the Passaic County communities they serve. The Club also provides support in the form of scholarships to the children of those who serve and protect Passaic County.
